About the Authors xv

PART 1 Studying Human Development 1

1 Introduction: Studying Human Development 3

The Nature of Human Development 4

Multiple Domains of Development 5

Development: The Example of Jodi 7

Why Study Development? 10

Focusing On . . . *Wanted: A Child and Family Policy* 11

The Life Course in Times Past 12

Early Precursors to Developmental Study 12

The Emergence of Modern Developmental Study 13

Lifespan Perspectives on Human Development 13

Continuity Within Change 14

Lifelong Growth and Loss 15

Changing Meanings and Vantage Points 16

Developmental Diversity 17

Methods of Studying Developmental Psychology 17

The Scientific Method 18

Researching Questions about Causality 19

A Multicultural View: *Street Children: Comparing Paraguay and North America* 20

Experimental Studies 20

Researching Questions About Association 24

Working With *Taylor Scott, MSE, EdS, School Psychologist: Specialized Education Needs Across Development* 26

Ethical Constraints on Studying Development 29

Strengths and Limitations of Developmental Knowledge 31

2 Theories of Development 35

The Nature of Developmental Theories 36

What Is a Developmental Theory? 36

How Do Developmental Theories Differ? 37

Psychodynamic Developmental Theories 39

Freudian Theory 39

Focusing On . . . *Erik Erikson's Identity Crisis: An Autobiographical Perspective* 41

Erikson's Psychosocial Theory 42

Applications of Psychodynamic Developmental Theories Throughout Development 44

Behavioral Learning and Social Cognitive Learning Developmental Theories 44

Behavioral Learning Theories 45

Social Cognitive Learning Theory 46

Applications of Learning Theories Throughout Development 47

Working With *Traci Meade, BS, Registered Behavior Technician: The Value of Theory for Helping Children, Adolescents, and Their Families* 48

Cognitive Developmental Theories 48

Piaget's Cognitive Theory 49

Neo-Piagetian Approaches 50

Information-Processing Theory 51

Applications of Cognitive Developmental Theories Throughout Development 52

Contextual Developmental Theories 53

A Multicultural View: *Cultural Context and Cognitive Development* 54

Applications of Contextual Developmental Theories Throughout Development 54

Ethological Theory 55

Developmental Theories Compared: Implications for the Student 56

PART 2 Beginnings 61

3 Genetics 63

Mechanisms of Genetic Transmission 64

The Role of DNA 64

Meiosis and Mitosis 64

Individual Genetic Expression 64

Genotype and Phenotype 64

Dominant and Recessive Genes 66

Transmission of Multiple Variations 66

Polygenic Transmission 68

The Determination of Sex 68

Genetic Abnormalities 69

Disorders Due to Abnormal Chromosomes 72

Disorders Due to Abnormal Genes 73

Genetic Counseling and Prenatal Diagnosis 74

Relative Influence of Heredity and Environment 76

Key Concepts of Behavior Genetics 76

Adoption and Twin Studies 77
Focusing On . . . *Technological Alternatives to Natural Conception 78*
A Multicultural View: *Cultural Difference and Genetic Counseling 79*
Cautions and Conclusions about the Influence of Heredity and Environment 80
Looking Back/Looking Forward 80

4 Prenatal Development and Birth 85
Prenatal Development and Birth 85
Stages of Prenatal Development 86
Conception 86
The Germinal Stage (First Two Weeks) 86
The Embryonic Stage (Third through Eighth Weeks) 87
The Fetal Stage (Ninth Week to Birth) 88
The Experience of Pregnancy 90
Prenatal Influences on the Embryo and Fetus 91
Harmful Substances, Diseases, and Environmental Hazards 91
Maternal Age and Physical Characteristics 96
Prenatal Health Care 96
Working With *Sarah Bassitt, DPN, RN: Preparing for Childbirth 98*
Birth 98
Stages of Labor 99
Childbirth Settings and Methods 101
Problems during Labor and Delivery 105
Faulty Passenger 106
Birth and the Family 107
Looking Back/Looking Forward 107

PART 3 The First Two Years of Life 111

5 Physical Development during the First Two Years 113
The Newborn 114
The First Few Hours 114
Is the Baby All Right? The Apgar Scale 115
Size and Bodily Proportions 115
Growth during Infancy 116
Physical Growth 116
Brain Growth 117
Infant States: Sleep and Arousal 119
Sleep 119
Focusing On . . . *Sudden Infant Death Syndrome 120*
Parents' Response to Infant Sleep and Arousal 122
States of Arousal 123
Sensory Acuity 123
Visual Acuity 124
Auditory Acuity 124
Tactile, Taste, and Olfactory Acuity 124
Motor Development 126
The First Motor Skills 127
Cultural and Sex Differences in Motor Development 128
Working With *Rachael Staley, BSW, Director of Early Intervention 130*
Nutrition during the First Two Years 130
Breast Milk versus Formula 131
Poor Nutrition 133
Overnutrition 133
Impairments in Infant Growth 134
Low-Birth-Weight Infants 134
Failure to Thrive 135
Infant Mortality 135

6 Cognitive Development during the First Two Years 139
Studying Cognition and Memory in Infants 140
Arousal and Infants' Heart Rates 140
Recognition, Memory, and Infant Habituation 140
Infant Perception and Cognition 141
Visual Perception in Infancy 141
Auditory Perception in Infancy 144
Coordination of Sensory Information 145
Cognitive Change during Infancy: Piaget's Stage Theory 146
Stages of Sensorimotor Intelligence 146
Assessment of Piaget's Theory of Infant Cognition 150
Theory of Mind 152
Behavioral Learning in Infancy 152
Operant Conditioning 152
Imitation 153
Language Acquisition 154
Phonology 156
Semantics and First Words 157
Influencing Language Acquisition 157
A Multicultural View: *Cognitive Effects of Talking to Infants: A Cross-Cultural Perspective 158*
Working With *Gillian Luppiwiski, Infant Care Provider: Fostering Infants' Thinking 160*
The End of Infancy 161

7 Psychosocial Development during the First Two Years 165
Early Social Relationships 167
Transition to Parenthood 167
Caregiver-Infant Synchrony 169
Social Interactions with Other Family Members 169
Father-Infant Interactions 169
Interactions with Siblings 170
Grandparents 171
Interactions with Nonparental Caregivers 171
Interactions with Peers 172
Emotions and Temperament in Infancy 174
Emotions in Infancy 174
Temperament 176
Attachment Formation 178
Phases of Attachment Formation 179
Assessing Attachment: The "Strange Situation" 180
Consequences of Different Attachment Patterns 181

Working With *Alexa Heacock, RN, BSN: Social Development during Toddlerhood 182*
Influences on Attachment Formation 183
The Role of the Mother 183
A Multicultural View: *Cross-Cultural Variations in Attachment 184*
The Role of the Father 185
Focusing On . . . *Family-Leave Policies in the United States and Europe 187*
The Effects of Maternal Employment 187
The Effects of Day Care and Multiple Caregivers 188
Long-Term and Intergenerational Effects of Attachment 189
Toddlerhood and the Emergence of Autonomy 190
Sources of Autonomy 191
Operant Conditioning 191
Observational Learning 191
Social Referencing: A Common Denominator 192
Development of Self 192
Self-Recognition and Self-Awareness 192
Self-Description, Self-Evaluation, and Emotional Response to Wrongdoing 192
Development of Competence and Self-Esteem 193
Looking Back/Looking Forward 195

PART 4 Early Childhood 199

8 Physical Development during Early Childhood 201
PHYSICAL DEVELOPMENT 202
Influences on Normal Physical Development 202
Genetic Background 203
Nutritional Needs during the Preschool Years 204
Sleep during Early Childhood 204
The Connection between Health and Poverty 205
Focusing On . . . *Reforming Children's Health Care 208*
Bladder Control 209
Motor Skill Development 209
Fundamental Motor Skills 210
Fine Motor Coordination: The Case of Drawing Skills 211
Gender Differences in Physical Development 213
Variations in Motor Skill Development 213
Working With: *Christine B. Starcher, Doctor of Physical Therapy (DPT): Helping Children with Special Physical Needs 214*
The Impact of Children's Growth on Adults 216
Effects of Appearance 216
Effects of Motor Skills 216
Effects of Differences in Families 217
From Preschooler to Child 219

9 Cognitive Development during Early Childhood 223
COGNITIVE DEVELOPMENT 223
Thinking among Preschoolers 224
Piaget's Preoperational Stage 224
Symbolic Thought 225
Egocentrism in Preschool Children 225
Theory of Mind 226
Other Aspects of Children's Conceptual Development 227
Cognition as Social Activity 228
Working With *June Zimmerman, BS, MA, Early Childhood Director: Cognitive Development during Early Childhood 230*
Neostructuralist Theories of Cognitive Development 232
Language Acquisition during the Preschool Years 232
The Nature of Syntax 233
Beyond First Words: Semantic and Syntactic Relations 233
Mechanisms of Language Acquisition 235
Innate Predisposition to Acquire Language: LAD 237
Parent-Child Interactions 237
Language Variations 238
Gender Differences in Language 239
Socioeconomic Differences in Language 239
Language of Deaf and Hard-of-Hearing Children 240
Language Deficits or Language Differences? 241
Early Childhood Education 241
Early Education and Cognitive Theories of Development 242
Effectiveness of Early Childhood Education 242
Cultural Diversity and Best Practice in Early Education 243
A Multicultural View: *Parents' Beliefs about Intelligence: A Cross-Cultural Perspective 244*

10 Psychosocial Development during Early Childhood 247
Relationships with Family 248
Relationships with Parents 248
Patterns of Parental Authority 249
Focusing On . . . *Extended Family Supports for Child-Rearing 250*
Relationships with Siblings 254
Relationships in an Expanding Social World 256
Empathy and Prosocial Behavior 256
Conflict and Aggression 258
Responding to Aggressive Behavior 261
The Effects of Media on Preschoolers' Development 263
Play during Early Childhood 266
The Nature of Play 266
Theories of Play 267
Cognitive Levels of Play: Developmental Trends 269
Other Influences on Play and Friendship 270
Social Levels of Play 271
Play and Friendship in Early Childhood 273
Working With *Javier Hernandez, Preschool Program Coordinator: Play and Friendships among Preschoolers 274*

Gender Development 276
Learning Gender Schema 277
Influences on Gender Development 278
Androgyny 279
Child Abuse and Maltreatment 280
Causes 280
Consequences 282
Treatment and Prevention 282
A Multicultural View: *The Cultural Context of Child Abuse and Neglect 283*
Looking Back/Looking Forward 284

PART 5 Middle Childhood 289

11 Physical Development during Middle Childhood 291
Trends and Variations in Height and Weight 292
Motor Development and Athletics during Middle Childhood 294
A Multicultural View: *Dieting from a Cross-Cultural Perspective 295*
Physical Effects of Early Athletics 296
Psychological Effects of Early Athletics 297
Working With *Sarah Potts, Advanced Level Certified Therapeutic Riding Instructor (CTRI): Physical Development during Middle Childhood 298*
Health and Illness during Middle Childhood 300
Social Influences on Illness 301
Attention-Deficit/Hyperactivity Disorder 302
Sleep 303
The Changing Child 304

12 Cognitive Development during Middle Childhood 307
Piaget's Theory: Concrete Operational Skills 308
Conservation during Middle Childhood 308
Conservation Training 309
Piaget's Influence on Education 310
Information-Processing Skills 311
Memory Capacity 312
Difficulties with Information Processing: Learning Disabilities 314
Working With *Terry Wharton, Special Education Teacher: Giving Children a Second Chance to Learn 316*
Language Development during Middle Childhood 317
Bilingualism and Its Effects 318
Defining and Measuring Intelligence 320
Psychometric Approaches to Intelligence 320
Information-Processing Approaches to Intelligence 321
Focusing On . . . *Gifted Students: Victims or Elite? 322*
The Triarchic Theory of Intelligence 322
Sociocultural Approaches to Intelligence 325
School Influences 327
Participation Structures and Classroom Discourse 327
Social Biases That Affect Learning 328
The Impact of Assessment 329
The Changing Child 330

13 Psychosocial Development during Middle Childhood 335
Psychosocial Challenges of Middle Childhood 336
The Challenge of Knowing Who You Are 336
The Sense of Self 337
The Development of Self during Childhood 337
Processes in Constructing a Self 339
The Age of Industry and Achievement 340
The Crisis of Industry 340
Achievement Motivation 340
Working With *Rachael Balistreri, Girl Scout Troop Co-leader: Growing and Giving Back 342*
Family Relationships 343
The Quality of Parenting and Family Life during Middle Childhood 343
The Changing Nature of Modern Families 344
A Multicultural View: *Race and the Academic Achievement Gap 345*
Focusing On . . . *The Quality of Parenting and Family Life during Middle Childhood 346*
Divorce and the Impact on Children 346
The Effects of Work on Families 351
Other Sources of Social Support 353
Peer Relationships 355
What Theorists Say about Peer Relationships 355
The Functions of Friends 356
The Functions of Other Peers 357
Influences on Peer Group Membership 357
Popularity and Rejection 360
Conformity to Peers 364
School Influences on Peer Relations 364
Death, Loss, and Grieving during the School Years 366
The Process of Grieving for a Childhood Loss 366
Children's Understanding of Death 367
Looking Back/Looking Forward 369

PART 6 Adolescence 373

14 Physical Development during Adolescence 375
PHYSICAL DEVELOPMENT 377
Growth in Height and Weight 377
Puberty 379
The Development of Primary Sex Characteristics 379
The Development of Secondary Sex Characteristics 379
Hormonal Changes: Physical and Social Consequences 380
Psychological Effects of Physical Growth in Adolescence 381
Health during Adolescence 384
Causes of Death among Adolescents 384

Health-Compromising Behaviors 385
Working With *Justin Metzger, B.A. (History), M.A. (Special Education): Physical Development during Adolescence 388*
Adolescent Brain Development 394
Focusing On . . . *Female Athletes and Eating Disorders 395*

15 Cognitive Development during Adolescence 399

Beyond Concrete Operational Thinking 400
Possibilities versus Realities 400
Scientific Reasoning 401
Logical Combination of Ideas 401
Cognitive Development beyond Formal Thought 401
Implications of the Cognitive Developmental Viewpoint 402
Moral Development: Beliefs about Justice and Care 403
Kohlberg's Six Stages of Moral Judgment 403
Working With *Tyler Hertenstein, Engineering Teacher: Blending the Social and Emotional with the Cognitive 404*
Issues in the Development of Moral Beliefs about Justice 406
Gilligan's Ethics of Care 408
The Ethics of Care during Adolescence 409
The Development of Social Cognition 409
Information-Processing Features of Adolescent Thought 411
Improved Capacity to Process Information 411
Expertise in Specific Domains of Knowledge 412
The Influence of School 413
Cognitive Effects of Schooling 414
Social Effects of Schooling 416
A Multicultural View: *Cross-Cultural Misunderstandings in the Classroom 417*

16 Psychosocial Development during Adolescence 423

Theories of Identity Development 424
Ruthellen Josselson: Individuation and Identity Development 424
Erik Erikson: The Crisis of Identity versus Role Confusion 425
Family Relationships during Adolescence 429
Relationships with Parents 429
Divorce, Remarriage, and Single Parenthood 434
A Multicultural View: *Differing Cultural Views of Delinquency 435*
Social Relationships during Adolescence 438
Friendship 438
Peer Groups 441
Focusing On . . . *Can Parents Influence Their Adolescent's Choice of Peer Group? 444*
Adolescents in the World of Work 445
Sexuality during Adolescence 446
Sexual Experience 446
Sexual Orientations 448
Working With *Lori Storer, Licensed Clinical Professional Counselor: Mental Health Services for Sexual Minority Youths 450*
Sex and Everyday Life 450
Special Problems of Adolescence 450
Adolescent Pregnancy and Parenthood 451
Teenage Depression and Suicide 455
Juvenile Delinquency 457
Looking Back/Looking Forward 459

Special Features

"Working With . . ." Interviews

Chapter

1 Taylor Scott, MSE, EdS, School Psychologist: Specialized Education Needs Across Development 26
2 Traci Meade, BS, Registered Behavior Technician: The Value of Theory for Helping Children, Adolescents, and Their Families 48
4 Sarah Bassitt, DPN, RN: Preparing for Childbirth 98
5 Rachael Staley, BSW, Director of Early Intervention 130
6 Gillian Luppiwiski, Infant Care Provider: Fostering Infants' Thinking 160
7 Alexa Heacock, RN, BSN: Social Development during Toddlerhood 182
8 Christine B. Starcher, Doctor of Physical Therapy (DPT): Helping Children with Special Physical Needs 214
9 June Zimmerman, BS, MA, Early Childhood Director: Cognitive Development during Early Childhood 230
10 Javier Hernandez, Preschool Program Coordinator: Play and Friendships among Preschoolers 274
11 Sarah Potts, Advanced Level Certified Therapeutic Riding Instructor (CTRI): Physical Development during Middle Childhood 298
12 Terry Wharton, Special Education Teacher: Giving Children a Second Chance to Learn 316
13 Rachael Balistreri, Girl Scout troop co-leader: Growing and Giving Back 342
14 Justin Metzger, B.A. (History), M.A. (Special Education): Physical Development during Adolescence 388
15 Tyler Hertenstein, Engineering Teacher: Blending the Social and Emotional with the Cognitive 404
16 Lori Storer, Licensed Clinical Professional Counselor: Mental Health Services for Sexual Minority Youths 450

A Multicultural View

Chapter

1 Street Children: Comparing Paraguay and North America 20
2 Cultural Context and Cognitive Development 54
3 Cultural Difference and Genetic Counseling 79
6 Cognitive Effects of Talking to Infants: A Cross-Cultural Perspective 158
7 Cross-Cultural Variations in Attachment 184
9 Parents' Beliefs about Intelligence: A Cross-Cultural Perspective 244
10 The Cultural Context of Child Abuse and Neglect 283
11 Dieting from a Cross-Cultural Perspective 295
13 Race and the Academic Achievement Gap 345
15 Cross-Cultural Misunderstandings in the Classroom 417
16 Differing Cultural Views of Delinquency 435

Focusing On

Chapter

1 Wanted: A Child and Family Policy 11
2 Erik Erikson's Identity Crisis: An Autobiographical Perspective 41
3 Technological Alternatives to Natural Conception 78
5 Sudden Infant Death Syndrome 120
7 Family-Leave Policies in the United States and Europe 187
8 Reforming Children's Health Care 208
10 Extended Family Supports for Child-Rearing 250
12 Gifted Students: Victims or Elite? 322
13 The Quality of Parenting and Family Life during Middle Childhood 346
14 Female Athletes and Eating Disorders 395
16 Can Parents Influence Their Adolescent's Choice of Peer Group? 444
